

Cultural Awareness Training

Provide Culturally Safe Healthcare Services to your Clients.

Offered free to frontline staff and health professionals delivering outreach services to Aboriginal and Torres Strait Islander clients. Facilitated by a leading cultural trainer using practical and interactive learning techniques. This is an experience not to be missed.

Learn the Essentials:

- Aboriginal and Torres Strait Islander culture
- Colonisation
- Connection to land, country and spirit
- The role of family
- Aboriginal and Torres Strait Islander Identification and the importance of asking the question
- Closing the gap on health outcomes
